

CORPORATE ENVIRONMENTAL POLICY STATEMENT

Beaver Aerospace & Defense, Inc.

It is the policy of Beaver Aerospace & Defense, Inc., to conduct its operations in a manner that is environmentally responsible and befitting of a good corporate neighbor and citizen. In accordance with this policy, Beaver Aerospace & Defense, Inc., complies with all environmental laws and manages all phases of its business in a manner that minimizes the impact of its operations on the environment. To further this policy, Beaver Aerospace & Defense, Inc., shall:

- 1 Comply with applicable environmental laws and regulations and voluntary commitments to which the facility subscribes;
- 2 Eliminate, or reduce to the maximum practical extent, the release of contaminants into the environment, first through pollution prevention (material substitution and source reduction), then recycling, and finally through treatment and control technologies;
- 3 Effectively communicate with facility employees, suppliers, regulators, and customers, as well as the surrounding community, regarding environmental protection performance;
- 4 Periodically review and demonstrate continuous improvement in the facility's environmental protection performance, including areas that may not be subject to regulations.
